Herrn Adolph Hess Nachfolger,
Mainzerlandstr. 49,
Frankfurt a. Main, Germany.

My dear Sir:-

Many thanks for your kind letter of March 11th.

I return herewith the list of catalogues. I have marked on the list those that are in the library of this Society complete with pricelist with a straight line (—). Those that we have without pricelists, I have marked with a cross (+), and those that are not marked are not in our library.

We enjoyed meeting Dr. Feith on several occasions while he was in this country, and hope to have the pleasure again sometime in the near future.

With kindest regards to him and to yourself, I am,

Very truly yours,

Secretary.

Dear Sir:

Will you be so kind as to advise me whether you sent a catalogue of your auction to be held June 28th to the American Numismatic Society? We have had a request for it by a visitor who desired to consult the plates. This frequently happens with the auction catalogues which are sent to our Library, and if the name of the American Numismatic Society is not on your mailing list I should greatly appreciate it if you would place it there.

I hope I am not too late to secure one of the plate catalogues.

Very truly yours,

S

Dear Sir:

Your letter of March 12th, addressed to Mr. Newell, has been referred to me. We can furnish you the Numismatic Notes and Monographs which you do not possess, with the exception of Nos. 5 and 11, which are out of print. We can allow you a discount of fifteen percent (15%) from the list prices, which would make the total cost of the lot \$46.75

Yours very truly,

Secretary.
